

Giöbia's conditions

In order to avoid the occurrence of unpleasant situations and to ensure the optimal running of our show, we ask you to comply with certain conditions, which are fundamental for us.

In particular, we ask you to ensure the presence of the following:

1. a safe place to leave our van and gear during our stay;
2. dinner and breakfast for the band members and any accompanying person;
3. a quiet and clean accommodation, with bathroom and shower. Whether it's a hotel, b&b, hostel or a private house, we require at least 2 bedrooms (3 would work even better), one of which with a double bed.
4. free drinks, at least 3 for each of us. We do prefer rum or vodka to beer.

Thank you in advance!

We are definitely looking forward to joining you. ;)
